Scrapbook Of Memories 1981

CURRENT EVENTS

CLOSE-UP OF SATURN - An unmanned spacecraft named Voyager I sailed past Saturn, sending us photos of a previously unknown planet.

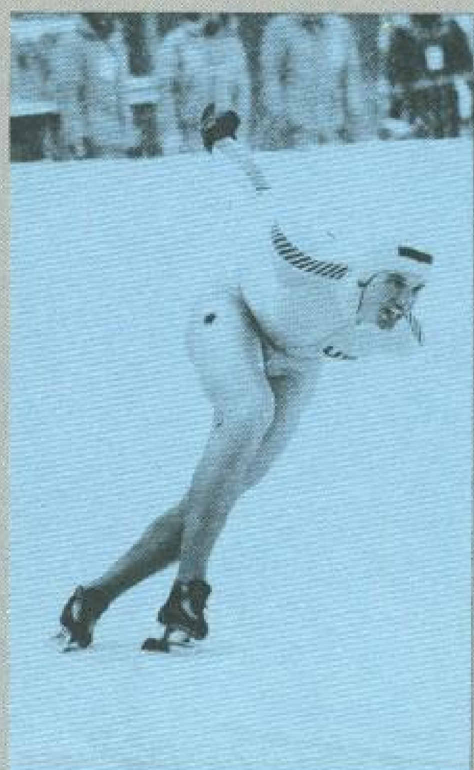

LANDSLIDE VICTORY - After 12 years of trying, Ronald Reagan harnessed a time-for-change conservatism and swept Jimmy Carter out of the White House with a surprise landslide at the polls.

Wide World Photos

LAS VEGAS CASINO BURNS - The second worst hotel fire in U.S. history killed 84 and injured 500 at the MGM Grand Hotel. The fire alerted people to the fact old fire safety controls may not be keeping pace with fire control problems in high-rise buildings.

GOLD MEDALIST - At the Winter Olympics in New York, Eric Heiden captured five gold medals in an unprecedented sweep of the men's speed skating events.

DURANTE DIES - Jimmy Durante parlayed his big nose and sunny affability into a 60-year career spanning entertainment all the way from vaudeville to television. He was 86.

BASEBALL'S TOP HITTER - Kansas City Royals third baseman, George Brett, wrapped up the season with a phenomenal batting average just short of .400 and was voted the A.L.'s most valuable player. His team lost the World Series to the Philadelphia Phillies.

BRUSH FIRES - A wall of fire headed toward the campus of California at San Bernadino — one of several brush fires that raced through Southern California, destroying over 30,000 acres and over 100 homes.

IRAN, IRAQ DECLARE WAR - Iran became sufficiently weakened by worldwide repercussions over the seizure of the American Embassy and became a feasible target for neighboring Iraq.

BAILING-OUT CHRYSLER - President Carter shook hands with Chrysler Chairman Lee Iaccocca in May after signing a $1.5 billion federal loan to keep the nation's third largest automaker afloat. When their 1981 line didn't sell as predicted, the corporation started looking for further federal generosity.

GIVE PEACE A CHANCE - The hopes of a generation were summed up in John Lennon's poetic lyrics. The former Beatle was shot and killed on the steps of his New York apartment, causing a worldwide outpouring of grief.

WHO SHOT J.R.? - Over 83 million Americans turned on their TV's one Friday night in November to find out who shot J.R. Ewing, the dastardly double-dealer of CBS' "Dallas." The episode had the highest ratings in television history.

"WE" MADE IT THROUGH THE RAIN

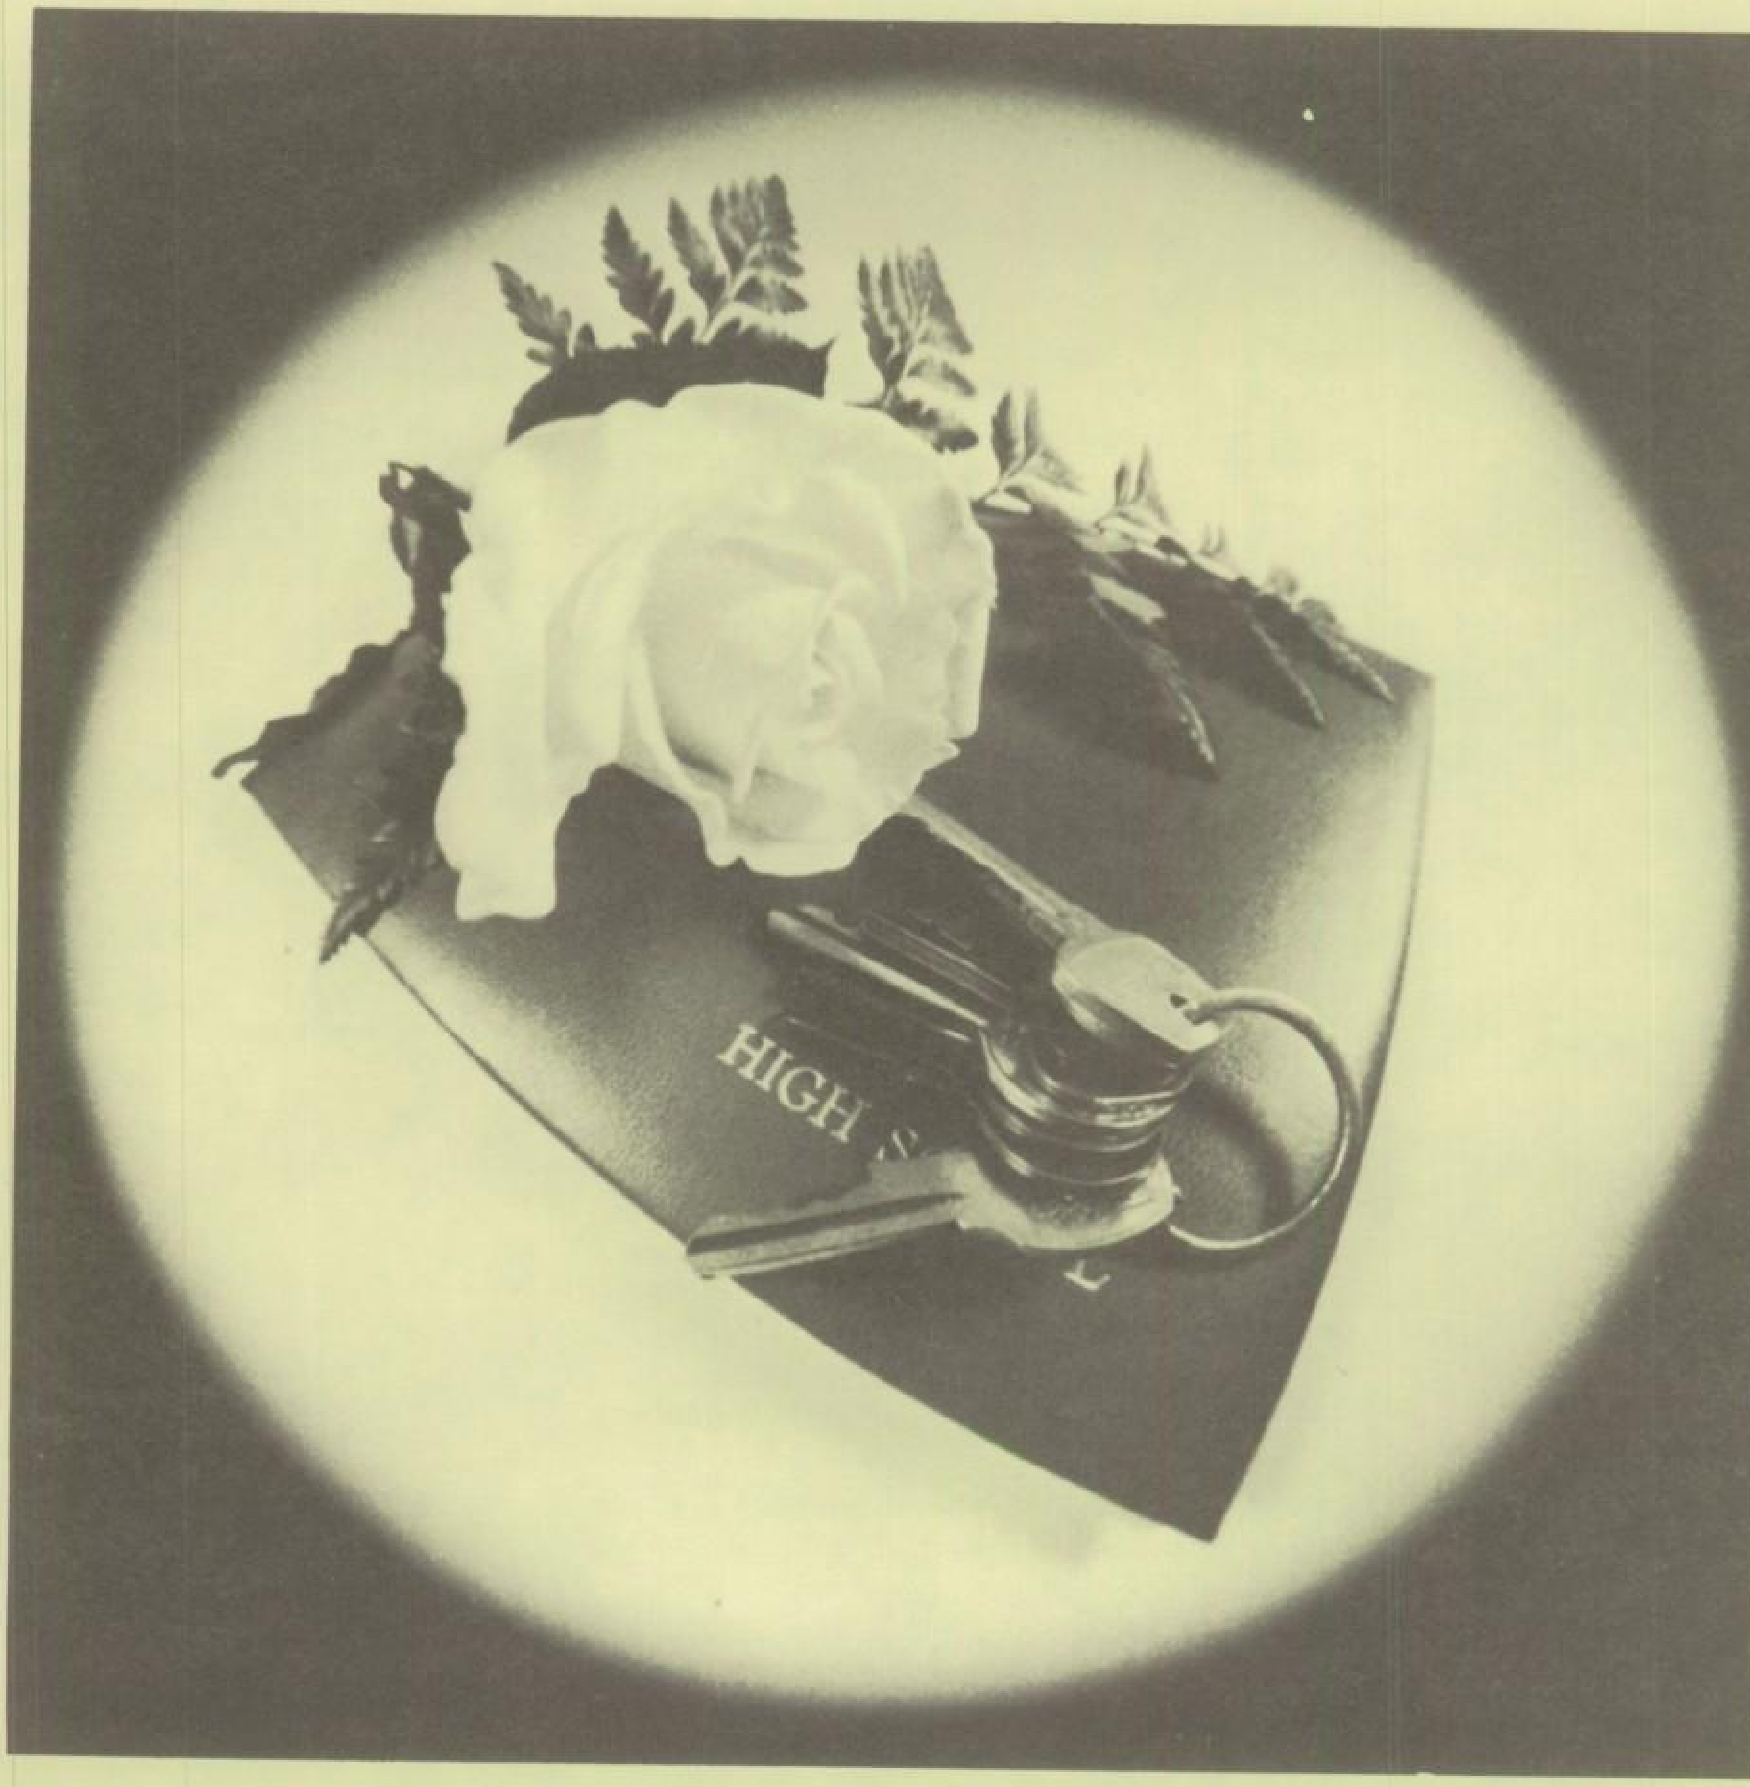

We dreamers have our ways of facin' rainy days
And somehow we survive.
We keep the feelings warm protect them from the storm
Until our time arrives.
Then one day the sun appears
And we come shinin' through those lonely years.

We made it through the rain
We kept our worlds protected
We made it through the rain
We kept our points of view
We made it through the rain
And found ourselves respected
By the others who
Got rained on too
And made it through.

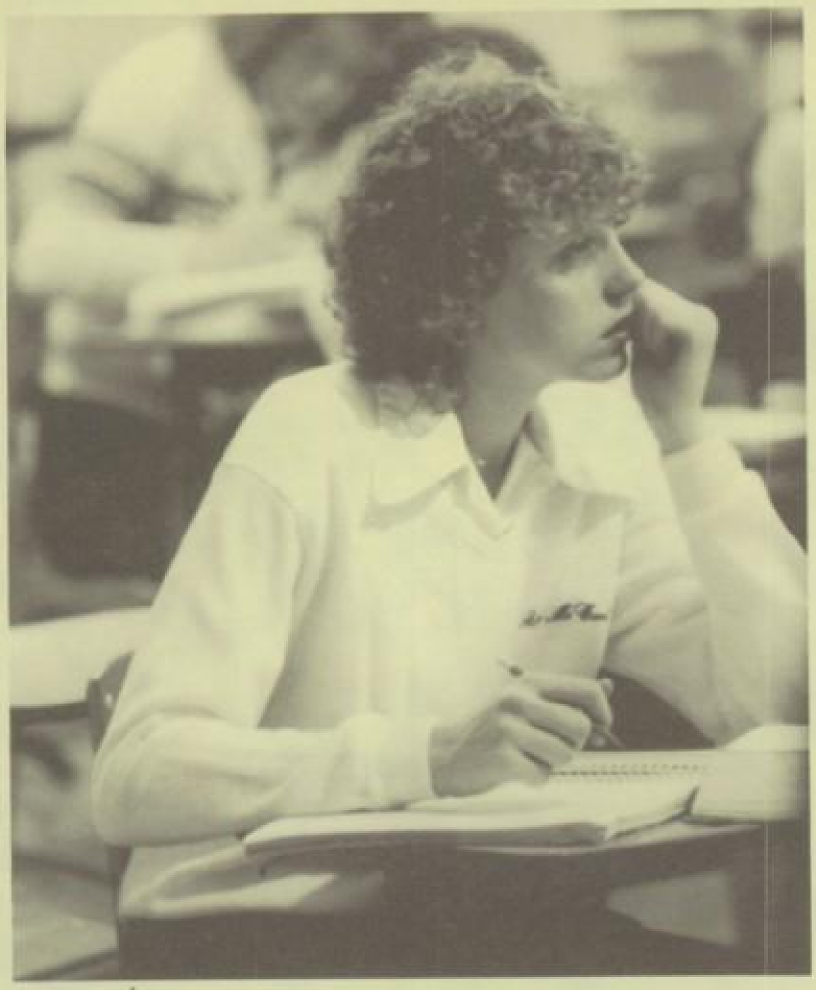

When friends are hard to find and life seems so unkind
Sometimes we feel afraid.
Just aim beyond the clouds and rise above the crowds
And start your own parade.
'Cause when we chase our fears away
That's when we know that we can finally say

We made it through the rain
We kept our worlds protected
We made it through the rain
We kept our points of view
We made it through the rain
And found ourselves respected
By the others who
Got rained on too
And made it through.

Music by GERARD KENNY
Lyrics by DREY SHEPPERD, BARRY MANILOW,

STUDENT COUNCIL

Every year, the Student Council takes charge of having each homeroom collect food and gifts for the Catholic Charities Christmas program. This year the Student Council was very pleased with the response. As can be seen, the Executive Board worked very hard to make the event a success.

Memories . . .

Already the yearbook staff is hard at work preparing the 1980-81 edition of **Memories.**

In keeping with the tradition started last year, the next Memories will be completely different from last year's book. Not only will the cover be different, but also the entire layout.

This year's staff is moderated by Mrs. Shearer, the former Miss Signorino; Marcie Sadosky is the editor and the co-editor is Lisa Benko.

Members of the staff attended a workshop at UPJ in September sponsored by the yearbook company. At this workshop, many new techniques were learned for preparing and laying out a yearbook. Already this year's staff has a big headstart by having the senior, faculty, and fall sports sections almost completed.

As of this writing, plans are being made for a patron drive. So when asked, buy a yearbook to make the Memories last.

Let's Hear It For Midterms?

Just when you think you're getting a vacation from school; they drop the bomb - **MIDTERMS**. Yes, it's that anxiously awaited time of the new year once again. Home for the holidays may not be as jolly as expected unless you enjoy studying for tests and playing with your new video game at the same time. This is a bit difficult if you really have your heart set upon the idea of the information sinking into your brain. Although, if you're totally against studying over Christmas, you do have time to cram two semesters into three days.

So when you think of this Christmas vacation, you will probably picture sleeping in late, parties, Christmas dances, and last, but not least, Calculus. Have a happy holiday!

The Bishop McCort Marching Band has pride, and for many reasons. People have commented on the band's terrific new look. Actually, the look isn't new. What really shows is the band's continuing effort to present precision marching and musical ability.

As the band's playing members have progressed, so have the flag and gun twirlers. Leslie O'Leary heads the "silks" and Cindy Bilak, a participant in Indiana University's Band Workshop, leads the "rifles." Both have done an excellent job with this year's band front.

Above all, the band owes its success to Mr. Signorino's guidance and the excellent leadership of Jim Tracy, McCort's drum major.

This is Mr. Signorino's eighteenth year as director of McCort's band. He is also involved in many other musical organizations, which include director of the Johnstown Civic Concert Band, and Allegheny Heartland Regional High School Band, and supervisor of instrumental music for elementary schools in the Johnstown-Altoona Diocese.

Jim Tracy will graduate this year. This creates an opening for a new drum major – a hard position to fill. Several freshmen and sophomore band members have shown interest in the position.

Aside from his work with McCort's band, Jim Tracy conducted several band clinics over the summer. His interest in music has made him into one of the best drum majors in the area. The new drum major to be selected within the next few weeks will help Jim in finishing out the rest of the season.

CURRENT EVENTS

MOUNT ST. HELENS - With a blast comparable to the largest H-Bomb ever tested, Mount St. Helens erupted on May 18. Despite all the warnings, 32 people died and a paralyzing blanket of gray soot dropped over cities, farms and highways as far east as Montana.

Wide World Photos

REFUGEES FLOOD FLORIDA - In a little more than two months, 110,000 Cubans descended upon the United States. The sudden influx forced Florida's governor to declare a state of emergency. Cuban President Fidel Castro claimed it was to teach the U.S. a lesson for welcoming Cuban hijackers as heroes.

THIRD CANDIDATE - Although John Anderson won only a small percentage of the popular vote in the presidential election, he stressed that his campaign was not wasted, "We have put the major parties on notice that they can never again come up with the kind of choices they have this year."

POLISH UNREST - Poland's striking workers brought down the government and dangerously provoked the Soviet Union.

TELEVISION STRIKE - Over 1,200 actors went on strike demanding compensation for videocassettes and cable TV. The long-winded strike lasted several months, delaying the new fall programs.

HOCKEY VICTORY - For the first time in 20 years, the American hockey team won the hockey gold medal, defeating the world champion Russian team. The American team had only been playing together for five months.

'SHOGUN' FEVER - The 12-hour television mini-series captured rare top ratings for NBC. Richard Chamberlin played the lead in the story about I7th century Japan.

BORG WINS, AGAIN - Sweden's Bjorn Borg falls to his knees after beating John McEnroe of the United States to the All England Tennis Championship for the fifth straight year at Wimbleton.

THE RELEASE OF THE HOSTAGES - A surge of relief, joy and patriotism swept the country when the hostages were released from Iran after 444 days in captivity on Jan. 20, inauguration day.

ACTOR DIES - Peter Sellers, a mastermind of disguise, played a variety of characters and was lovable in them all, from Inspector Clouseau in the "Pink Panther" films to Chauncey Gardiner in "Being There."

THE ABSCAM TRIALS - Two of seven Congressmen involved in the ABSCAM trials are shown arriving at Federal Court with their wives to deny charges that they accepted money in exchange for political favors from an FBI agent, posing as an Arab sheik.

OLYMPIC BOYCOTT - Beauty and pageantry couldn't hide America's absence from the Summer Olympic Games in Moscow. A number of countries boycotted the Games to protest the Soviet invasion of Afghanistan.
